

Select to Receive Autodesk Product in a Box

Published Date: 02-03-2010

Applies to: All Autodesk Products on Subscription

Challenge

I want to change the way I receive my product from Autodesk when I am on subscription.

Solution

The subscription software coordinator needs to do the following steps

1. Log onto your subscription site. (<http://subscription.autodesk.com/>)
2. On the homepage in the upper right hand corner select My Profile

3. Under the Delivery Preference Section select how you would like to receive your product.

Edit Subscription Center Profile

You must log out of Subscription Center, close this browser window, and open a new browser window and session to see your preference changes.

To edit your reseller viewing permission, [click here](#).

* Are required entries.

Delivery Preference

- * Delivery Preference
- Download
 Box

4. Once desired Delivery Preference is selected scroll down and select Update Profile.
5. You will now see the following message.

You have chosen to receive a boxed shipment. Thank you.

OK
