

## Register for the Autodesk University Virtual Premier Pass free for Subscription Customers

Published Date: 11-17-2010

Applies to: All Autodesk Products on Subscription

### Challenge

Where do I go to register for the AU Virtual Premier Pass free for Subscription Customers

### Solution

Autodesk Subscription customers get the \$139 Premier access for free. Be sure to have your Serial Number or Agreement/Contract Number ready when you register. You will be asked to enter that information on the AU Virtual registration form. If you don't have this information, contact either your reseller or the [Autodesk Business Center](#).
